

Important Reminder for PRF Phase 4 and ARP Rural Funding Applicants

If you're a healthcare provider planning to apply for Provider Relief Fund (PRF) Phase 4 or American Rescue Plan (ARP) Rural Funding, we have an important reminder. Before you can submit your application, you must go through tax identification number (TIN) validation, which could take several days, and even up to 10 days, according to some of the recent guidance from the Health Resources and Services Administration (HRSA), which is overseeing the application process and portal. TIN validation is also done via the [application portal](#).

Please be aware that the October 26, 2021 deadline for your application submission is quickly approaching, so if you haven't already submitted for TIN validation, we recommend you do so as soon as possible.

As always, please connect with your GJM team with any concerns or questions.
